Kellogg's Canada sent coaching kits for each team, they would like help with critiquing them. They have handed out DVD's for each head coach; there will be draw for two tickets. There was a discipline issue with the juvenile team, and Ross will be dealing with it.

6.0 Reports:

6.1 President: Mirko and Ross will take a look at the ice needs for the season in Sept. There will be a month cut off the lacrosse season and one month of hockey. Idea came up to talk with Thunderbirds about what they found worked for them when they lost all the ice time. Look into seeing if we can have a council member come out and talk about the ice issues and have someone from Parks and Rec. Ross will follow up.

6.2 VP1: Giants fundraiser, division managers please let the team managers know that the cheques will be coming out later this. 939 tickets sold, there were 10,000 people there and we sold 14,500 paid. It went really well, and the Giants Organization, were very happy with us. The Giants have invited us back to a playoff game. We will only get 4 days notice, the profit would go to the association to help pay for the ice times. We need between 30 to 40 Volunteers to help. We could make around \$5,000 that would help to pay for the extra ice times that we will need. Rob will send out an email to all the teams to see if it is feasible.

6.3 VP2: There were 12 teams in Herb House Tournament and 11 teams in the Al Hughes tournament. Error made on last minutes. 11 teams for the Atom tournament so far and there is one more space available, a Vancouver team has applied. The medals and ball caps are on order.

6.4 VP3: The safety books have been updated, important for the younger ages. Please pick up as many as you need. Pictures for two teams are still outstanding.

6.5 Treasurer: Nothing to report
