Dear Players, Parents & Coaches:

On behalf of the New Westminister Minor Hockey Association (NWMHA) I would like to extend a warm welcome to all visiting players, parents, team officials and fans to our 2019 Al Hughes and Bobby Love Memorial Hockey

tournaments. Both of these tournaments have been around since the 1970's, but were renamed after New Westminister greats in the late 1980's.

Established in 1937, we are pleased to be celebrating 81 years of hockey in New Westminister in the 2018-2019 season. Our association has a long history of promoting a high quality and fun hockey experience and these tournaments are an important part of that experience. We are supported in part through our partnership with the City of New Westminister and access to great facilities such as Queen's Park and Moody Park arenas.

Our Association firmly believes that minor hockey is about the players. What is important is that the players work hard, play to the best of their ability and have fun doing it. We endeavor to provide an environment whereby everyone can benefit from competitive play together with a focus on good sportsmanship.

A special thanks to all of the volunteers who have worked countless hours to make this tournament happen.

On behalf of NWMHA, I wish everyone good luck, and again, thank you for participating in our tournaments. We thank you for your involvement and hope that your experience here will be fun and memorable.

Mayor

Dear Player, Coaches, Families and Fans,

I am delighted on behalf of City Council and the residents of New Westminister to extend warm greetings and best wishes to players of the 2019 Bobby Love & Al Hughes Memorial Tournaments that take place from March 16<sup>th</sup> to 19<sup>th</sup> at Queens Park and Moody Park Arenas. A total of 17 teams are expected to participate from the Lower Mainland, Fraser Valley and Vancouver Island.

New Westminister Minor Hockey is a well-established tradition having been in our community for over 80 years. The game of hockey brings value to its players by developing life skills which will benefit them throughout their lives. Hockey is woven into the very fabric of Canadian culture and it is evident that our community has a love for the game shared by young and old alike.

We congratulate and thank all of the coaches, organizers, and volunteers for their hard work and dedication in organizing this tournament and for continuing to make this incredible sport a part of New Westminister.

May you take home many fond memories from the tournament and the City of New Westminister.

Good luck to all the teams!

# Remembering Allan Hughes

**1932 - 2001**

New Westminster lost one of its legendary residents with the passing of Allan Hughes. 'Big Al', as he was affectionately known to so many of us, was a legend in New Westminster, particularly at Queens Park Arena.

Al was an incredible volunteer in our city. Through his many activities, he touched, influenced and supported the lives of so many people as he gave so much of his time to allow others to enjoy theirs. He brought joy to so many of us.

Allan was a wonderful individual known for his fun, loving spirit and ongoing contribution to his community. He had a charming manner, was caring and compassionate, displayed extreme loyalty to his friends, and was gracious and sensitive to others. At the same time he was a very unassuming person, never seeking the spotlight.

Growing up in New Westminster and attending Queens Park Arena, I saw Al doing everything – selling tickets, patrolling the ice, making popcorn, sharpening skates, playing the music and acting as a goal judge. Later he was a highly visible member of the Minor Hockey Association as a coach, manager, ice coordinator, equipment manager and referee. Allan and I worked together on the city's Amateur Sports Fund Committee and the New Westminster Senior Games Committee. 'Big Al' just seemed to be everywhere.

While we miss him very much, we are privileged that we were able to share a part of our lives with him. We know that the support and friendship he gave to so many of us was special and because of 'Big Al' we will live in a brighter and happier place.

In many ways his influence will always be with us as he has left us with many wonderful memories and values to live by.

Allan truly made New Westminster – his community – a better place.

'Big Al' was very special.

## **Fair Play Code for Parents**

- I will not force my child to participate in hockey.
- I will remember that my child plays hockey for his or her enjoyment, not mine.
- I will encourage my child to play by the rules and to resolve conflict without resorting to hostility or violence.
- I will teach my child that doing one's best is as important as winning so that my child will never feel defeated by the outcome of the game.
- I will make my child feel like a winner every time by offering praise for competing fairly and hard.
- I will never ridicule or yell at my child for making a mistake or losing a game.
- I will remember that children learn by example. I will applaud good plays and performances by both my child's team and their opponents.
- I will never question the official's judgment or honesty in public. I recognize officials are being developed in the same manner as players.
- I will support all efforts to remove verbal and physical abuse from children's hockey games.
- I will respect and show appreciation for the volunteers who give their time to hockey for my child.

## **Fair Play Code for Coaches**

- I will be reasonable when scheduling games and practices remembering that young athletes have other interests and obligations.
- I will teach my athletes to play fairly and to respect the rules, officials, opponents and teammates.
- I will ensure all athletes receive equal instruction, discipline, support and appropriate, fair playing time.
- I will not ridicule or yell at my athletes for making mistakes or for performing poorly. I will remember that children play to have fun and must be encouraged to have confidence in themselves.
- I will make sure that equipment and facilities are safe and match the athlete's ages and ability.
- I will remember that children need a coach they can respect. I will be generous with praise and set a good example.
- I will obtain proper training and continue to upgrade my coaching skills.

# ROYAL CITY KIDS MAKE IT TO BIG LEAGUES!

By **Daniel Fontaine**

New Westminster is a city of less than 70,000 people, but it has produced a couple of big sport stars who both started out playing in the local minor hockey association.

**Kyle Turriss** grew up in the Queen's Park neighbourhood and is now playing in the National Hockey League for the Nashville Predators.

He was named the 2007 Canadian Junior A Player of the Year, and was ranked first overall among North American skaters by Central Scouting and third among all skaters by International Scouting Service.

Turriss was initially drafted to the Phoenix Coyotes and played his first-ever game against the Dallas Stars on April 3, 2008.

According to Wikipedia, "in the 2005 World U-17 Hockey Challenge Turriss earned a silver medal playing

for Canada Pacific. The following year, he received gold with Team Canada at the 2006 Ivan Hlinka Memorial Tournament.

Early in his second season in the BCHL, Turriss competed in the inaugural 2006 World Junior A Challenge, an international Junior A tournament. Playing with Canada West, he led the tournament in scoring and was named tournament MVP as Canada West won the gold medal over Canada East. At the end of the 2006-07 season, he competed in the 2007 IIHF World U18 Championships, although Team Canada failed to medal.

Several months later, Turriss played in the 2007 Super Series, an eight-game challenge series between Russia and Canada's national under-20 teams. He led the series in goal scoring with 7 as Canada won the series 7-0-1. In the eighth and final game, held in Vancouver, Turriss scored 2 goals and was named the game MVP.

Cont...

In 2008, Turris led Team Canada in scoring at the World Junior Championships in the Czech Republic en-route to a gold medal.”

Another local boy who was selected a four-time all-star player in baseball’s major leagues is **Justin Morneau**.

According to Wikipedia “Morneau grew up in New Westminister, British Columbia, the historic "Royal City," adjacent to Vancouver, where he played hockey for the local minor team, the New Westminister Royals, and emerged as a star goaltender, playing for teams a year older than he was.

He also played baseball in the New Westminister Minor Baseball Association and for the North Delta Blue Jays in the B.C. Premier Baseball League”

Morneau is also apparently very superstitious and “wears number 33 to honour his idol, former NHL goaltender Patrick Roy. As a young hockey player, he would refuse to leave the car for hockey games until the clock read :33 minutes past the hour.”

“A four-time All-Star, Morneau was the American League Most Valuable Player during the 2006 season by helping the Twins win their fourth division title in five years. He finished runner-up for MVP in 2008 and won two Silver Slugger Awards as well as the 2008

Home Run Derby. Internationally, Morneau represented Canada at the 2006, 2009, and 2013 World Baseball Classic.”

As you can see, the Royal City has produced some great premiere athletes over the years. Who knows, you might be watching a future superstar on the ice today!
