## REIMBURSEMENT OF EXPENSES FOR NON-PARENT HEAD COACHES

As it is the policy of the Association that those who provide volunteer services to minor hockey should not suffer financial costs as a result, the Association will reimburse non-parent head coaches for travel and other expenses incurred as a consequence of their position as head coach. Such reimbursements are subject to the following:

- Amounts shall be determined annually by the executive at rates sufficient to reimburse all costs but not to constitute payment for time spent.
- For ease of administration, such amounts may be paid monthly to recipients. Receipts for actual expenditure are not required.
- As the amount of travel required to games is normally substantially less for C teams than for A teams, reimbursement will be less for non-parent coaches of C teams.
- Assistant coaches shall not be reimbursed under this policy.
- As it is assumed that coaches who are parents would attend their child's games and as supplies are already reimbursed by the Association (to a maximum of \$100 per team), reimbursement for travel will not be made to parent coaches.
